◆Session 1 Oral Presentations

Each presenter will have 10 minutes to present their study using a PowerPoint file and 5 minutes for discussion. The presentation file should be stored on a USB flash drive and handed to seminar staff at “the Young Researchers’ Meeting Registration Desk” on the meeting day, September 12th.

◆Session 2 Poster Presentations

In this session, the presenters have short oral presentation to introduce their study followed by a poster presentation for deep discussion.

Each presenter will have 2 minutes to introduce the study using a PowerPoint file. The presentation file should be stored in a USB flash drive and handed to seminar staff at “the Young Researchers’ Meeting Registration Desk” on the meeting day, September 12th.

◆Best Presentation Award

The Best Presentation Award will be given to the most accomplished presenter in communication and science. All attendees will vote for one presenter from each session. The winner will be announced at the Best Presentation Award Ceremony.
